Brings a strong work ethic, a commitment to excellence, and a desire to make a lasting impact through dedication and continuous growth.

EXPERIENCE

Truckload Dispatch Manager

Elder Logistics – Tacoma, WA

February 2025 – Present

- Manage dispatch operations for local and over-the-road (OTR) drivers, ensuring efficient route planning and on-time deliveries.
- Oversee daily load assignments, monitor driver progress, and make real-time adjustments to meet customer demands.
- Coordinate with shippers, receivers, and internal departments to optimize freight movement and reduce downtime.
- Ensure compliance with DOT regulations, hours-of-service laws, and company standards.
- Provide 24/7 support to drivers for routing, maintenance, and safety concerns.
- Utilize transportation management systems (TMS) and GPS tools for tracking and performance reporting.

Fleet Manager, Inventory Manager & Facilities Director

PCF Construction – Kent, WA

2023 – 2024

- Oversaw fleet operations, maintenance schedules, and procurement of vehicles and equipment.
- Managed inventory for construction supplies and tools, maintaining accurate records and restocking workflows.
- Directed facility management across multiple company locations, implementing repair and maintenance plans.
- Improved resource utilization and minimized downtime by optimizing coordination between departments.
- Built and maintained vendor relationships to support operational needs cost-effectively.

Store Manager

Verizon – Tacoma, WA

2020 – 2023

- Led daily retail operations, including team management, scheduling, and store performance oversight.

- Consistently met or exceeded sales goals by implementing strategic selling techniques and motivating team members.
- Delivered exceptional customer service, resolving escalations and maintaining a high level of customer satisfaction.
- Recruited, trained, and developed staff to meet sales objectives and ensure operational efficiency.
- Maintained inventory accuracy, conducted audits, and managed visual merchandising to align with brand standards.
- Analyzed performance metrics to identify opportunities for growth and improve conversion rates.

Fleet Manager

STS Construction – West Seattle, WA

2018 – 2020

- Directed daily operations of company fleet, including vehicle maintenance, usage tracking, and performance monitoring.
- Developed and implemented cost-saving strategies to improve fleet efficiency.
- Maintained full DOT compliance and ensured all vehicles met safety and inspection requirements.
- Managed service records and coordinated with vendors for repairs and procurement.
- Partnered with internal teams to align fleet availability with project schedules and delivery needs.
- Acted as liaison between service providers and company personnel to maintain high service standards.

CDL Class A Driver / Dispatch & Fleet Coordinator

AK Transport – Nationwide

2015 – 2016

- Operated as a long-haul CDL Class A driver across all 48 continental U.S. states.
- Dispatched drivers, coordinated delivery schedules, and managed route assignments.
- Purchased and managed delivery routes, ensuring efficiency and client satisfaction.
- Maintained detailed route logs and delivery records.
- Provided 24/7 driver support for weather delays, vehicle issues, and emergencies.
- Retain a current CDL Class A license with strong understanding of transportation regulations and logistics operations.
